## Welcome to AFSCME Local 1067/Council 93

Dear Brother / Sister,

I am delighted that you have chosen to become an **AFSCME Local 1067 member!**

Our union is not just something we belong to — it is an organization that we, as members, should actively participate in. We must continue to organize the unorganized. We have had a great start with getting part-time employees at five different colleges to sign cards indicating that they are interested in joining **AFSCME Local 1067**. I look forward to continuing this campaign in the upcoming year and I look to each and every one of you to participate (whether it is hanging a poster, reserving a room, or talking with others to get them to come to a meeting) to help us sign up as many part-time employees as we can. **There is no union without U!**

**AFSCME Local 1067**, like all unions in the US, are fighting the corporate attack on collective bargaining. As more and more workers are denied the right to bargain, the wages for all workers declines. Amidst these challenges, management's pay is continuing to grow while our families struggle to make ends meet.

Now more than ever, with the Janus v AFSCME decision, we must remain **organized, united, and strong!**

I urge you to join **PEOPLE (Public Employees Organized to Promote Legislative Equality)**. To give this union a fighting chance.

The Executive Board meets on the second Tuesday of every month except for September and January. Please watch your emails for our monthly newsletter, like our Facebook page and please visit our website for additional information at <https://afscme1067.org>

I look forward to working with and representing you remaining **AFSCMESTRONG!**

Yours in solidarity,

*Sheila Kearns*
